Welcome to Our Newsletter

Spring is finally here and the weather is starting to pick up, leaving bright skies and beautiful flowers all around! We hope you have all enjoyed a wonderful Easter and we look forward to sharing all our celebrations in this newsletter.

We're very much looking forward to spending more time in the garden as the weather continues to brighten, being able to enjoy refreshments on the patio and play some garden games!

We hope you enjoy our newsletter and would love it if you shared it with family and friends.

Home Renovations

We're very pleased to share that our entrance and hallway have now been refurbished and updated. It looks very bright and inviting, ready to welcome all our guests and residents. We've kept it looking homely and have received lots of positive feedback from our residents. Our notice board is on display by the front door, so please check it for updated events and news. We hope you love the modern and fresh look as much as we do!

Valentine's Day

We joined together to celebrate Valentine's Day. Our home looked so beautiful, decorated with balloons and flowers. In the evening we enjoyed a wonderful meal together followed by a drink in the lounge. We always like to have an excuse to get together and celebrate!

Easter Celebrations

We hope you all had a lovely Easter weekend, and enjoyed plenty of chocolate! We were very busy, and enjoyed an Easter meal together, complete with themed dining sets and decorations. We also got creative, making our own Easter bonnets. We think they all look fabulous, decorated with carrots, bunnies and chicks!

Happy Mother's Day

Spring is always full of celebrations and we got together once again—this time for Mother's Day! Just look at these delicious cakes we shared!

We decorated the dining room with plenty of balloons, ready for our Mother's Day dinner and there were some beautiful flowers for our residents.

We hope you all had a wonderful Mother's Day and enjoyed a restful weekend.

Little Visitors

We love getting visitors in our home! The lovely Lauren recently visited on her day off, along with her son Grayson. We all enjoyed playing balloon games with him.

Little visitors are always the best kind and bringing out the youth in us all!
